Move your world

GAWANG PINOY, PARA SA PINOY.

To our loyal Toyota customers,

You have waited for this for so long. This 2024, a true road icon returns to once again champion mobility for all Filipinos!

It is our honor to introduce the Next Generation Tamaraw! A tough and reliable companion that changed the lives of many, the Tamaraw will once again be enabling Filipinos to triumph over the challenges of today.

Whether for business or family use, the Next Generation Tamaraw promises to move you closer to what matters most.

We thank you for sharing our excitement for the Next Generation Tamaraw. Keep in touch with your dealer for updates, and we hope you can be among the first to own this vehicle, which we are very proud to bring back.

We wish you more of life's wins—big and small. Maraming salamat po!

Masando Hashimoto

President, Toyota Motor Philippines

Introducing the

NEXT GENERATION

TAMARAW

The Tamaraw is more than just a vehicle.
It's an icon. A legacy.
And now, its next generation is here.
In different forms. For different dreams.
Ready to move us forward.

May maaasahang tibay, lakas,
diskarte, at porma ang bagong Tamaraw.
Built with modern designs and amazing features.
Kaya kasangga ng Pilipino sa buhay at kabuhayan.

Ito ay proudly Made in the Philippines,
Made for the Filipinos.
Here to transform our lives, our roads, our industry.

Pambansang sasakyan.
Totoong kampeon.
Nagbabalik na bida.
Anuman ang tawag natin sa
Next Generation Tamaraw,
malayo ang mararating natin dito.

**Handa nang sumabak sa kalsada ang
Next Generation Tamaraw.**

Ikaw, handa ka na ba?

Images shown are prototypes only. Final product may vary.

Tunay na palaban

Sa Next Generation Tamaraw, may variant o conversion na makakasagot sa mga pangangailangan mo.

Anumang porma o anyo, makasisiguro kang mabusisi itong dinevelop para may lakas, tibay, at diskarte na bagay na katuwang sa buhay at negosyo.

Up to 1,100 kg payload*
*Tentative information only

2GD-FTV diesel engine (also available 1TR-FE gasoline engine)

Also available in Automatic Transmission

Subok na pangmatagalan

Alam ng Toyota na mahalaga sa iyong negosyo at lalo na sa pamilya ang sasakyang magtatagal nang mahabang panahon.

Hindi lang matatag, maaasahan din. May effortless power, superior payload capacity, at maluwag na cabin.

Ito ay may up to 1,100 kg payload capacity rating at superior torque kasama ng 2GD-FTV engine.

Panalo ka dito!

Kasama mo ang Next Generation Tamaraw sa pag-level up ng buhay mo at ng buong pamilya.

Bukod sa taglay na diskarte at lakas, komportable rin ang lahat ng gagamit ng Next Generation Tamaraw gaano man kahaba ang biyahe.

Para naman sa mga driver, mas pinadali rin ang maneuverability nito para effortless ang pagmaneho kahit sa makikitid na daan.

Ito ang mga dapat mong malaman:

*compared to cabover pickup

✓ Mas madaling pag-maneuver (competitive turning radius)

✓ Superior forward visibility, mataas na eye point

✓ Better deck length to overall length ratio

✓ Mas madaling pumasok at lumabas ng sasakyan

✓ Mas malaki ang cabin space

✓ Mas safe ang cargo dahil sa bonnet

✓ Mas tahimik ang cabin

✓ Hindi gaanong mararamdaman ang mga lubak sa kalsada—swabe ang drive!

✓ Superior powertrain access para sa maintenance o pagpapaayos

✓ Mas mababang center of gravity para sa improved stability

✓ Superior aerodynamics at fuel efficiency

✓ Mas maraming pwedeng i-customize sa loob ng sasakyan —mas madaling ma-meet ang mga kailangan mo para maging panalo sa buhay!

Conventional (Bonnet) Dropside

VS.

Other Cabover Dropside
